What you need before you begin:

- Active Rochester Public Library Card
- Library account password – This needs to be set up on the Rochester Public Library Website (rpl.lib.nh.us) If you need assistance setting this up please email us at RPLreference@rochesternh.net

How to set up the Libby App

1. Search for the Libby app through your devices app store and download it.
2. Open the app
3. Choose: “Yes”
4. Choose: “I’ll search for a library”
5. Enter Zip Code: 03867 (You can also search by Rochester Public Library but make sure to choose NH)
7. Tap: “Choose A Location”
8. Find and choose: “Rochester Public Library”
9. Enter the barcode on the back of your Rochester Public Library Card
10. Enter your pin (This is the password you create on the Rochester Public Library website)
11. Tap: “Sign in”
12. You will see this screen and you can rename your library card or just choose next.

Tap: “Library” when you are looking for something to borrow.

App layout:

Set your preferences here. You can choose which Format (audiobooks or e-books) you want to see. To see items that are currently available, set “Availability” to “Available Now”

Tap this icon to see any notifications about items you are currently borrowing, view your library card information, and get more information about Libby.

Tap: “Shelf” to view items you have borrowed and items you have on hold.

If you have any questions, you can email us at RPLreference@gmail.com
